Appl. No. 10/624,293  
Amendment

Attorney Docket No. 35197.20 / 03W048  
Customer No. 27683

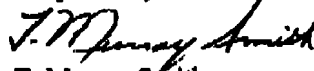

**REMARKS**

Claims 1 and 6 have been amended, and Claims 1-23 remain pending in the application. The amendments to Claims 1 and 6 have not been made for the purpose of better distinguishing these claims from the applied art, because Claims 1-6 are already believed to be distinct from the applied art. For example, Claims 1-6 are believed to be distinct from the applied art for the reasons discussed in the remarks of Applicants' last Response (filed on or about April 6, 2007). Instead, the foregoing amendments broaden one of the limitations present in independent Claim 1. When this application is taken up for reconsideration, it is respectfully requested that the foregoing amendments be taken into account.

Favorable reconsideration of this application is respectfully requested. If the Examiner believes that examination of the present application may be advanced in any way by a telephone conference, the Examiner is invited to telephone the undersigned attorney at 972-739-8647.

Although Applicants believe that no fee is due in association with the filing of this paper, the Commissioner is hereby authorized to charge any fee required by this paper, or to credit any overpayment, to Deposit Account No. 08-1394 of Haynes and Boone LLP.

Respectfully submitted,
